Become The Total "YOU "

Purpose:

- Professional: You will examine your individual combination of skill, talent, capability and practical application to attain professional efficiency.
- Personal: You will gain knowledge and personal awareness that will give you an edge in a competitive culture.
- Interpersonal: You will learn how to face issues that hinder your ability to interact successfully with others.

This workshop is designed especially for you! It will equip you with the tips, secrets and principles of the high fashion industry. You will learn to hide your less than perfect areas, camouflage your imperfections and dress for ultimate success! This revolutionary image curriculum will give you the tools to look your best as you learn to *love and accept yourself!*
